Declaration:

"The State of Guatemala is signing this Convention out of a humanitarian desire to strengthen the ideals on which the Convention is based, and because it is an instrument which seeks to institutionalize, at the global level, specific norms for the protection of children, who, not being legally of age, must be under the guardianship of the family, society and the State.

With reference to article 1 of the Convention, and with the aim of giving legal definition to its signing of the Convention, the Government of Guatemala declares that article 3 of its Political Constitution establishes that: "The State guarantees and protects human life from the time of its conception, as well as the integrity and security of the individual."
