Declaration:

"While fully subscribing to the objectives and purposes of the Convention, realising that certain of the rights of child, namely those pertaining to the economic, social and cultural rights can only be progressively implemented in the developing countries, subject to the extent of available resources and within the framework of international co-operation; recognising that the child has to be protected from exploitation of all forms including economic exploitation; noting that for several reasons children of different ages do work in India; having prescribed minimum ages for employment in hazardous occupations and in certain other areas; having made regulatory provisions regarding hours and conditions of employment; and being aware that it is not practical immediately to prescribe minimum ages for admission to each and every area of employment in India - the Government of India undertakes to take measures to progressively implement the provisions of article 32, particularly paragraph 2 (a), in accordance with its national legislation and relevant international instruments to which it is a State Party."
